## BOARD OF VIEW MEETS, BUT ONLY BRINGS DELAY IN SCHOOL CASE

The board of view met, school board officials met, attorneys met, owners of the property met — but the board of view did not carry out its proposed reconnaissance of the site of the proposed new Gettysburg joint elementary school Monday afternoon.

At 1:30 o'clock Monday afternoon the board of view, Attorney J. Francis Yake Jr., McSherrytown; P. Lawrence Hoover, Reading Twp., and Frank H. Bream, Conewago Twp. met in Colt Park, on the former Johns property in the southwestern portion of the town, to look at the land condemned by the Gettysburg Joint School Board as the site for a new elementary school. The visit was part of the viewers' official duty in determining the amount to be paid by the joint system for the land.

Gathered with the viewers were Dr. Ralph D. Wickerham, president of the Gettysburg Joint School Board; Ralph Guise, Straban Twp. (Please Turn to Page 6)

## ASK INDUSTRIES TO FILL BLOOD DONOR QUOTAS

The Adams County Red Cross chapter has turned to 25 industries in many parts of the county for donors to fill the quota for the next Blood Donor Day in Gettysburg, Friday, November 14.

Requesting the industries to fill individual quotas of from three to 10 donors each, the Blood Donor Committee asks a total of 160 donors for the last Blood Donor Day in this county this year.

Orville B. Orner, Blood Donor Recruitment chairman, said a prompt reply has been asked from the industries because the appointment cards to the individual donors have to be mailed this week-end.

**1,139½ Pints In Year**  
No donor day will be held here in December but the next dates will be January 13 and 14 when the bloodmobile unit will come here from Baltimore to operate (Please Turn to Page 6)

## COUNCIL FINDS HUMOROUS SIDE TO TOWN DUTIES

Monthly meetings of the Gettysburg Borough Council are not without their humorous sides.

A complaint was received Monday night from James Shindelecker, W. Middle St., that several months ago council ordered him to remove a tree in front of his property.

Recently, according to the complaint, one of the utility companies came along and erected a pole in the exact spot where the tree had stood. "How come?" Mr. Shindelecker wanted to know.

**Job For Committee**  
Borough Engineer LeRoy H. Winebrenner said utility companies are "supposed" to obtain permission for the erection of poles. He said this was not done in this case.

But, said Winebrenner, Mr. Shindelecker's tree was removed because it was jutting into the street, and he was ordered to straighten the curb line.

The question was referred to the Highway Committee and the borough solicitor.

**Motorcycle And Snow**  
The monthly report of Burgess William G. Weaver showed receipt of \$60 from the Safety Committee representing proceeds from the sale of the police motorcycle. A borough councilman said the purchaser was riding the motorcycle with the sign "police" on the front fenders still attached. Burgess Weaver said he would be notified to remove it.

Miss Carrie Tawney, 160 E. Middle St., is anticipating winter and snows. She asked borough council Monday night to remove the snow in front of her property each time that it falls.

Councilmen said such a "contract" was impossible, and several volunteered to find boys to shovel her walk.

## 6 Local Lawyers On State Bar Groups

Six Gettysburg attorneys have been appointed to committees of the Pennsylvania Bar Association by Judge W. C. Sheely, president of the state association. The appointments are for the 1952-53 year.

State Senator Donald P. McPherson Jr., has been named a member of the Committee on Legal Biography and History. Atty. Richard A. Brown is a member of two committees, in the Committee on Legal Aid and the Committee on War Work.

Other appointments are: Atty. Donald M. Swope, Committee on Decedents' Estate Law; Atty. Franklin R. Bigham, Joint Medical-Legal Committee; Atty. Eugene R. Hartman, Committee on Unemployment Commercial Code; Atty. Edward B. Bullett, Committee on Court Records.

## COACH TELLS OF HALF TIME TALK WITH "BULLETS"

"We told the boys we thought they could win, we explained some points about better defense and all of a sudden something just seemed to spark the team and they went out to win."

That was the way Gettysburg College football Coach Johnny Yoviesin explained Gettysburg's resurgence in the second half to win Saturday's football game in a talk given Monday evening to the local Rotary Club at its session in the YWCA.

The statement was in response to a question from Frederic E. Griest, a member of the club, on "What did you tell the team Saturday during halftime that made them come out and win the game after being so badly beaten in the first half?"

"I Don't Know What It Was"  
Yoviesin answered: "The boys were so badly beaten down we couldn't condemn them. But we told them we thought they could win, and why, and they went into the explanation. I don't know what it was that caused the spark. But somewhere along the line you could feel confidence growing."

Yoviesin and Jack Shainline were guests of the club and explained details of a motion picture of the Muhlenberg-Gettysburg game. In the course of his remarks Yoviesin explained that "Gettysburg College has some of its toughest games (Please Turn to Page 4)

## Brownies Make Tray Favors For Hospital

Thanksgiving favors for use on trays at the Warner Hospital were made by Brownie Troop 3 at a meeting Monday afternoon at the Memorial EUB Church.

The following committee was named to take the favors to the hospital on November 26: Mary Beth Hughes, Susan Rupp, Diana Wolff and Delores Adams.

During the program piano selections were played by Phyllis Carbaugh, Mary Beth Hughes and Diana Wolff. Joan Townsend was the troop guest for the day.

The meeting closed with the Friendship Circle and Handshake. Mrs. Charles Rupp is the troop leader and is assisted by Mrs. Thomas Adams and Mrs. Henry Steininger, committee mother.

## Lions Face Fine If They Don't Vote Today

Gettysburg Lions are under pressure to go to the polls today.

President John S. Rice announced at the club's weekly dinner meeting Monday evening: "We don't care whether you go to the polls tomorrow or not but any Lion who come to next week's meeting without a corner off his ballot is going to be fined 10 cents."

A ten-cent fine is the customary fine collected by the club's tail-tweezer for rule infractions and is the largest amount that can be imposed for a single violation.

### HOSPITAL REPORT

Admissions: Mrs. Warren R. Marks, York Springs R. 2; Mrs. Clyde L. Sterner, Hanover R. 1; Mrs. Russell Frankenthal, Gettysburg R. 3; Mrs. Philip Miller, Gettysburg R. 4, and James H. Shaffer, East Berlin R. 2.

Discharges: Mrs. Carrie Moxley, W. High St., and Mrs. Charles Keller, Hanover.

### S.S. CONFERENCE

A Bible Teaching conference for Sunday School officers, teachers and parents will be held in the Christ Lutheran Church at 7:30 o'clock Thursday evening.

The subjects to be presented are: "How To Teach The Bible," in the home, Sunday School and in group meetings; and "How To Use The Bible," modern translations, Bible dictionaries, concordances, etc. A new filmstrip will be shown.

## SAYS 100,000 FREIGHT CARS GO THRU TOWN IN YEAR ON W. M.

The Western Maryland Railroad moves 100,000 freight cars into or through Gettysburg each year. C. E. Prantz, Hagerstown, Western Maryland division freight agent, told members of the Gettysburg Lions Club Monday evening before showing them the railroad's hundredth anniversary color film, "Fast Freight Rolling."

Giving the clubmen figures on the local volume of business done by his railroad, Mr. Prantz said about 100 cars a month are loaded in Gettysburg while 3,000 cars a month are handled on the Gettysburg interchange and 125 loaded freight cars a day are pulled through Gettysburg.

Mr. Prantz declared the company is keeping its roadbed and rolling equipment up to date and modern in every respect. He told of the hundreds of new cars of all types, the 43 new diesels, the new car float in Baltimore harbor and the \$5,000,000 the railroad has spent on its ore pier in the Baltimore harbor in (Please Turn to Page 4)

## Here And There News Collected At Random

Here is an election prayer, endorsed by The American Legion, that seems to be very appropriate today. It is called "My Election Prayer" and was written by Rev. Francis C. Young, author of "Our Nation's Prayer."

"Be praised, O Lord, I yet can use Thy greatest gifts, which some abuse:  
I thank Thee for my mind and will Which can control elections still.  
Pray, let my mind enlightened be And let my will be strong and free  
To vote according to Thy light By which I strengthen Freedom's might. Amen

James S. Kemper, former president of the United States Chamber of Commerce, said:

"To men who love liberty, those who starve the ballot box are no less despicable than those who stuff it. Ballot boxes starved or stuffed in false elections. They set false government on wrong courses. They place great power into the hands of little groups."

"Small elections are big opportunities." (Please Turn to Page 4)

## UPPER ADAMS TALKS OF UNION SCHOOL DISTRICT

Members of the Upper Adams Joint School Board, at a meeting in the Biglerville High School Monday night, discussed a proposal to change the school setup from a joint district arrangement to a Union District, and referred results of a preliminary study of the matter to the Upper Adams School Commission.

Leslie V. Stock, supervising principal of the jointure and chairman of the school commission, said a study had been made of the two systems but that further consideration would be given to their respective merits and that it would be at least two years before any change could be made if such a change were found desirable.

He said that under a Union District plan, there would be a reduction in the number of school directors, changes in the method of state reimbursement and change in the reimbursement fraction.

**Order Plans For Two Schools**  
The Joint Board approved title to nine acres of the Rouzer property near the present high school building in Biglerville. This includes all but the lot on which the Rouzer home is situated.

The board authorized Alfred Hammie, York architect, to prepare plans for both a new grade school building in Biglerville, utilizing the Rouzer land and a new grade school building at Arentsville. Site for the latter was previously acquired.

The board has made no estimate of the probable cost, but will advertise for bids after plans have been prepared and then decide when these projects can be undertaken. Mr. Stock said. The construction of two bond issues and the double expense of clearing the plans through Harrisburg.

## Tune In WGET For Complete Election Returns Tonight

Fast . . . Accurate . . . Comprehensive.

This is the service which the combined facilities of The Gettysburg Times and Radio Station WGET will provide for everyone within the radius of "The Voice of Adams County" tonight.

WGET will go on the air with the first of the out-of-state election returns at 8 p.m. From that hour until the presidential, state and local contests have been decided, election news will take precedence over every other program. Returns from throughout the country will be announced as soon as they are received.

The result of the voting in Adams County, precinct by precinct and township by township, with cumulative figures, will be announced as fast as the returns are received at the Court House.

A staff of newsmen, compilers and announcers will bring to WGET listeners, as fast as these figures are compiled, the election as it goes in Adams County direct from the Court House.

All Tuesday night programs on WGET will be interrupted whenever election news is available, for as long as is necessary to give the returns.

The station will remain on the air through the early hours of Wednesday until results are definitely indicated.

## LEAGUE WOMEN TO HOLD 41ST SESSIONS HERE

The Woman's League of Gettysburg College will have for its theme "We Would Be Building," when it holds its 41st annual convention Thursday and Friday. The first session will be held at 10 a.m. Thursday at Christ Lutheran Church, with the president, Mrs. Frederick J. Eckert, presiding, following registration at the church at 9 a.m.

Mrs. Marshall C. Wood will have charge of devotions, on the theme "We Would Be Building Material." The report of the credentials committee will be given by Mrs. F. R. Seibel, and the presentation of the program by Mrs. Frank H. Kramer.

Greetings will be extended by Mrs. Walter C. Langsam, wife of the president of the college, with the response by Mrs. Thomas M. Malin. The report of the president and the board of directors will be made by (Please Turn to Page 5)

## RE-BUYS FARM FOR FOURTH OF SELLING PRICE

Parker A. Paul B. and Carolyn S. Lerew, Latimore Twp., repurchased for \$12,500 the 163-acre farm in that township that Parker A. Lerew sold Attorney Franklin R. Bigham on June 7, 1950, for \$49,900, according to a deed filed with the county register and recorder.

Parker Lerew sold the land to Attorney Bigham when he was purchasing a number of properties in the county for Bethlehem Steel Corporation which hoped considerable mineral resources were under the farms. Subsequent investigation determined that the mineral content did not warrant mining and the local attorney was charged with disposing of the properties for the best prices he could obtain.

During the intervening two years Parker Lerew resided on the farm under a rental agreement.

**To Build Fire House**  
Other deeds record purchases of land by the Biglerville Municipal Authority and the McSherrytown Steam Fire Co.

The Biglerville Municipal Authority, under an agreement with the Upper Adams Joint School board, also filed with the register and recorder, purchased land of M. G. and Edna May Rouzer, Butler Twp., for \$9,000. The land will be used for new school construction in accordance with a decision of the Upper Adams board at a recent meeting.

Plans to construct an approximately \$45,000 new fire house in McSherrytown are revealed by two deeds filed with the register of deeds. The one deed lists the sale by the Borough of McSherrytown to (Continued on Page 2)

## Furniture Show Open To Public On Friday Evening

Gettysburg and Adams County residents will have an opportunity Friday night to view the work of Adams County master furniture craftsmen, when the Gettysburg Furniture Companies throw open the doors of their York St. show-rooms to the public to view the fall furniture show.

The public will see what hundreds of eastern buyers for a large furniture and department stores have been privileged to glimpse since the semi-annual show opened last week, some of the finest examples of designing and craftsmanship in the trade, in a number of new and outstanding finishes in bedroom suites, desks and tables.

The "open house" Friday night, beginning at 7 p.m., follows a long established custom.

## Vote In Town Sets Record

Possibly the biggest vote in history seemed in the making in Adams County today.

Up to 1 o'clock this afternoon 1,379 Gettysburg residents had voted, approximately 38 per cent of the 3,672 registered. The number was 417 more than the 962 cast up to the same time in Gettysburg four years ago and 371 more than the 1,068 cast in the borough up to the same time in 1944.

The vote to 1 p.m. by district was: First Ward, First Precinct, 265; First Ward, Second Precinct, 314; Second Ward, 442, and Third Ward, 358. The total registration by district is: First Ward, First Precinct, 722; First Ward, Second Precinct, 833; Second Ward, 1,109, and Third Ward, 988.

The first person to vote in First Ward, First Precinct was County Republican Chairman John H. Baschore. Samuel Weiser was the first to vote in First Ward, Second Precinct. Miss Mary Hay Himes, chairman of the women's division of Citizens for Eisenhower, voted first in the Second Ward and the No. 1 voter in the Third Ward was Assessor Jesse E. Snyder, also a Republican.

### CHIEFS TO MEET

The Adams County Association of Fire Chiefs will hold its November meeting Thursday night at 8 o'clock in the fire house at Fountaindale, according to notices sent out by Eugene S. Sickles, secretary.

## Polls Crowded With Voters In All Parts Of U.S.

By The Associated Press  
Voters got out early and in droves today to make their great decision between Republican Dwight D. Eisenhower and Democrat Adlai Stevenson as the 33rd man to become their president.

Across the nation, the story was the same almost everywhere: Voting so heavy that election officials in state after state called it unprecedented. Many polling places had long lines from the opening. It was plain a record total of ballots was going into the making of the verdict on the Republican argument that "it's time for a change" and the Democratic contention that Americans "never had it so good."

Some forecasters predicted 55-60 million ballots. The biggest vote cast in the past was 49,820,312 in 1940 when Democrat Franklin D. Roosevelt defeated Republican Wendell Willkie.

**Result A Mystery**  
Though the outward scene was similar everywhere, the big mystery was what was going on behind the curtains of the voting (Please Turn to Page 2)

## RICHARD DREAS FILLS VACANCY ON SCHOOL BD.

Richard E. Dreas, Hillcrest Place, manager of the local Metropolitan Edison Co. and president of the Gettysburg Rotary Club, was appointed by the Gettysburg School Board Monday night to fill out the term of the late Paul M. Rohrbaugh until a new director can be elected at the next municipal election.

Dreas will serve until January, 1954. The public will elect a director to fill the unexpired term at the municipal elections next fall. At the same time a director will be named for the two years remaining of the term of Mr. Rohrbaugh, three other directors will be named for full six-year terms. The Gettysburg directors whose terms will expire next year are Dr. Ralph D. Wickerham, Ray J. Kitzmiller and Mrs. Erma D. Poppy.

The appointment of Dreas was made at a meeting of the Gettysburg board Monday evening in the office of Superintendent of Schools Dr. Lloyd C. Keefeauver in the Gettysburg High School building. The meeting immediately preceded a session of the executive committee of the Gettysburg Joint School Board held at the same place.

### Keefeauver Reports

Final decision on whether or not a kindergarten will be included in the joint district's new elementary school, to be erected in Colt Park, need not be made until the joint board decides to let the bids for the contract, the joint committee learned.

Dr. Keefeauver, in outlining his activities in connection with the proposed construction, said that public clamor concerning a kindergarten led him to seek advice from the Department of Public Instruction at Harrisburg to determine what could be done to give the joint school board time to consider the matter without delaying the processes through which the plans must pass before the school can be built.

The advice he received at Harrisburg, Keefeauver said, was to have the board ask for alternate bids, one for a school including a kindergarten room and the other for a school without such a facility. In that way all plans could be approved, and the board would have the time until the letting of the contract to determine what course it will follow. Then if it wishes a kindergarten it will be able to accept the alternate bid and proceed immediately with construction.

He described the recommendations of the State Department of Public Instruction that toilet facilities be installed in the first grade room and that a wash basin and drinking fountain be placed in each room of the elementary school that they might be under direct supervision of the teachers and convenient for the students. Rooms in general would be 22 by 35 feet (Continued on Page 2)

## Suspects Freed In Forest Fires

Strong winds during the night fanned embers in the 1,000-acre section of timberland burned over Saturday in South Mountains along the Newman Road, but crews on guard through the night were able to prevent the conflagration from beginning again.

Stumps and other material that was fanned into flames were within the already-charred area and died down after burning for a while. A few sparks that escaped the burned area were caught before fires started in unburned areas. The crews continued their watch today.

Men held for questioning on charges of setting the fires were released, when police found little to prove they were the ones who set the fires. District Forester Thomas Norris said today: "We're sure that the fires were set but getting enough evidence to convince a jury that a particular person set a fire is another thing."

## Director Of Glee Club Is Honored

The Rev. Fr. David W. Shaum, director of the Mount St. Mary's College Glee Club, Emmitsburg, has been selected by the Male Glee Clubs of Maryland to be the district representative speaker at the Conductor's Club of New York on November 8.

The Conductor's Club, composed of choral directors in the greater New York area, will hear Father Shaum discuss the organization and functioning of a College Choral Society.

Father Shaum is a graduate of Mount St. Mary's College and Seminary, and the Peabody Institute of Music.

## First To Vote, Then Joins Mamie

One of the first voters at the Cumberland Twp. voting precinct this morning was Mrs. Arthur Nevins, who, with her husband, Gen. Arthur Nevins, formerly resided on the Eisenhower farm.

Mrs. Nevins cast her ballot for General Eisenhower early today and then was driven to Harrisburg where she took a fast train to New York. She will be a guest of Mrs. Eisenhower to receive the election returns this evening.

General Nevins is in Valley Forge hospital and Mrs. Nevins resides in nearby Phoenixville. They expect to return to Gettysburg to reside permanently in the early future.

## JUDGE GROSS IS KEPT BUSY WITH ELECTION

People are fighting to vote today.

Judge Harvey Gross, of York County, who "takes over" as presiding judge in Adams County for the annual election day court while Judge W. C. Sheely handles election cases in Fulton County, has been having his "biggest" election court in years.

Up to about 11 o'clock this morning 12 petitioners had been before the judge to seek the right to vote when their eligibility was questioned in the districts where they thought they should vote. Usually one or two cases during an entire election day is a "good day's work."

Throughout the morning Judge Gross has been interpreting the law as liberally as possible. "If I can find any law to hang my hat on, these people will vote," was the way the judge put it. Most of the cases came about because persons living on borders of townships and boroughs or between townships, registered in the wrong area. The first case up was a resident of McSherrytown who registered in Conewago Twp. because he did not know the boundary had been changed moving him into the borough. Another was a person who had confused Hamilton and Oxford Twp.s when he registered. Another registered in Cumberland, when, under a fairly recent change, the area is in Gettysburg.

**Soldier Gets Vote**  
In the great majority of the cases the judge was able to find a "loophole" to permit the registrants to vote. "These people did what was expected of them, they (Continued on Page 2)

## BOROUGH HAS \$48,006.87 IN ITS TREASURY

Borough receipts for October totaled \$5,786.74, and disbursements \$10,023.76, according to the monthly report of John H. Baschore, treasurer, leaving a balance in the general fund as of November 3 of \$48,006.87.

Receipts of the burgess's office, as reported by Burgess William G. Weaver were: Parking fines, \$371; building permits, \$12; Majestic Theater tax, \$466.26; Strand Theater tax, \$92.49; liquid fuel tank installation fee, \$20; garbage collection—licenses paid, \$124.65 and sale of motorcycle (police), \$60, a total of \$1,146.40.

Borough police made seven arrests during October, the police report showed, one for disorderly conduct; four for drunk and disorderly; one for forgery and one on a warrant served. There were ten arrests for motor code violations, including three for reckless driving; three for running red lights; one for use of wrong license plates; one for improper pass; one for driving without a license and one for a bad muffler.

### Accidents Probed

Seven accidents were investigated; four lost and found cases handled; six investigations made; 12 minor complaints received; two dog cases investigated and one breaking and entering case probed. The report also pointed out that police gave many hours of time to the Lincoln pageant and to its rehearsals in directing traffic and other duties.

The Gettysburg Fire Department answered nine calls during October, according to the report of Fire Chief Donald G. Jacobs, five in the borough, with estimated losses of \$500, and four outside the borough with losses estimated at \$100.

Those in the borough included a fire at the borough sheds a chimney fire, electric wiring, fireplace and a truck. Those in the rural area included two trucks, a grass fire and a car which caught fire following an accident.

## TELLS COUNCIL SPEED LIMIT ON MANY STREETS HERE IS 50 M.P.H.

Gettysburg streets, except for those which are state routes through the borough, have no speed limits other than the state highway limit of 50 miles an hour, members of the borough council were informed Monday night.

The informant was Dr. Kenneth L. Smoke, 249 N. Washington St., professor of psychology at Gettysburg College and a former president of the Rotary Club.

Dr. Smoke, appearing before council to tell that body that in his opinion Gettysburg is in need of better regulation of traffic, said speeding on N. Washington St. had caused him to take up the matter of speed regulations with Borough Solicitor Eugene V. Bullett.

**"Traffic Is Terrific"**

He quoted the latter as saying that, except for state highway streets in the borough, the state's 50-mile-per-hour limit applies to all borough streets.

"I live on N. Washington St.," Dr. Smoke said, "and I speak principally for that thoroughfare, although I feel that there is a general need for better regulation of traffic in the entire borough."

"Traffic on N. Washington St. since the borough council prohibited parking on the west side has become terrific," he continued. "It has become a main highway and a race track. It is a straight stretch from the railroad to Broadway, with no intersections."

**May Call Special Meeting**  
"I have a child and there are many other small children in this section. It has become exceedingly dangerous for small children to cross the street to play on the college campus. In a few months Christ Chapel will be completed and ready for use. Students will have to cross the street to and from chapel. I believe that if we have a 25-mile limit we can better control fast driving."

Councilmen expressed concern over this reported lack of speed regulations and Council President H. M. Oyer referred the matter to the Safety Committee for action, with the promise that a special meeting would be called if necessary to enact legislation.

After considerable discussion, in which councilmen expressed fear of setting a precedent, council voted Monday night to resurface a parking lot on Race Horse Alley for the Citizens Oil Co. with borough equipment and labor, the company to pay rental on the equipment and the wages of employees.

### Reject Painting Bids

Councilman L. D. Shealer pointed out that the borough for several years had used the Codori property on which to dump snow in the winter time, that the parking lot benefited the public and that work of similar nature had been done by the borough on previous occasions.

Council voted a contribution of \$1,000 to the Gettysburg Recreation Association. The money was included in the current budget but never paid. Six bids for painting one of the fire trucks were opened and read, but were rejected because no set of specifications had been prepared on which the bids could be based, and because of the wide spread in prices submitted. Bids ranged from a high of \$228 to a low of \$99.50. New bids will be asked.

## Red Assaults On Two Fronts Repulsed By Dug-In Allies

SEOUL (AP)—Dug-in Allied soldiers today hurled back predawn Red assaults on the Korean Eastern and Central Fronts.

North Korean Communists launched six attacks in the Heartbreak Ridge sector. Each was stopped cold despite unusually heavy Red artillery and mortar fire.

Chinese Reds on the Central Front stormed all night long at South Korean positions atop bloody Sniper Ridge. The ROKs beat back the final assault at dawn.

The U. S. Eighth Army said Sniper and nearby Triangle Hill were quieter today than at any time since the Allies launched their Central Front attack Oct. 14.

**Below Zero Weather**  
The mercury dipped to a bone-chilling 1 degree above zero.

American soldiers huddled around their radios for the latest news of the U. S. presidential elections. Most interested listener was Maj. John Eisenhower, son of the Republican candidate.

A battalion of North Koreans—about 750 men—powered the biggest Red attack on the mountainous Eastern Front. The Reds slammed straight at Heartbreak Ridge.

Allied infantrymen, fighting in trenches and bunkers, stopped the assault cold in a three-hour battle. The defenders estimated they killed or wounded more than 100 Red Koreans.

**5 Other Attacks**  
Five other attacks, up to 175 men in size, hit elsewhere along a four-mile sector.

On the center, about 300 Chinese Reds tried to scramble to the top of Sniper Ridge during the night. None got closer than 100 yards.

A company of Chinese hit an Allied outpost south of Pyongyang on the Central Front early this morning. They seized part of the hill, but lost it to counterattacking U. N. troops.

American soldiers at the front—some with portable radios in their bunkers—will hear a continuous stream of election returns beamed to them over the Armed Forces Radio Service.

## PASTORS HEAR DR. RICHARDSON

"Suggestions for Meeting Our Challenge in These Times" was the subject of a talk by Dr. Norman E. Richardson, professor of philosophy at Gettysburg College, at a meeting of the Adams County Ministerium Monday morning at Trinity Evangelical and Reformed Church. Prof. Richardson contrasted what he called present dangerous phases with absolute Christian values.

The Rev. Victor K. Meredith Jr. conducted the devotional period and drew parallels between the days of the prophets and the present and indicated serious responsibilities of ministers as leaders of the people. The Rev. Nevin R. Frantz presented a report of the ministry among Puerto Rican farm workers this summer. The Rev. Joseph Cruz, minister to these migrants, also spoke.

The Rev. William Hollingsworth was named co-chairman of this work with Dr. O. D. Coble. Other members of the committee include the Revs. Arbe J. Dorsey, Harold V. March, Henry W. Sternat and Helmut Dyck. It was reported that a number of employers contributed to this ministry. Further contributions should be sent to the Rev. Alton E. Leister, East Berlin.

A report of the committee on the United Christian Youth Movement was given by the Rev. A. C. Rohrbach, New Oxford. The Rev. Dr. Howard S. Fox and Rev. Brown were named as a committee to make plans for a chaplaincy for the Warner Hospital.

**JUDGE GROSS**  
(Continued from Page 1)  
want to vote, and a technical error should not stand in their way," the judge declared.

He also ruled that a soldier, discharged from the army two weeks ago, should be registered. Under strict interpretation of the law the soldier probably would have been disqualified, because he couldn't register while in the army, and he couldn't vote a military ballot because he is out of the army now and he was discharged too late to register before the last day for registration.

Judge Gross, holding that "if anyone should have a right to vote, it's a person who has just completed service to his country in the armed forces," ruled that the soldier should be registered and be allowed to cast his ballot.

**State Police Say**  
Watch for the white cane—the sign of the blind. It is the duty of every motorist who observes a person carrying a white cane, to slow down and use every precaution to avoid striking a blind person.

Dennis observed his birthday Saturday.

**S-Sgt. William T. Ziegler** returned to Gettysburg Monday evening after 18 months with the Army Air Force in Tripoli where he had been stationed at the Wheelus base. Staff Sergeant Ziegler, who enlisted in the service immediately after his graduation from the Gettysburg High School in 1949, will be separated from the army after a 30-day leave. He is presently at the home of his parents, Mr. and Mrs. C. T. Ziegler, 127 Springs Ave.

A covered dish supper was served Monday evening by the Trinity Circle of Trinity Evangelical and Reformed Church in the parish hall at 6:30 o'clock. Afterwards the November meeting was held during which Mrs. Fred Hummelbaugh, president, presided. Officers will be elected in December. The following women were appointed to the nominating committee: Mrs. C. Robert Deardorff, Mrs. George T. Raffensperger, Mrs. Robert Weikert and Mrs. Glenn Guise.

Announcement was made that a Christmas bazaar will be held in the parish hall Thursday, December 11. The bazaar committee includes: Mrs. J. B. Collins, Mrs. Elmer Yoder, Mrs. Blanche Settle, Mrs. Robert P. Snyder and Mrs. Harry Price.

A rummage sale will be conducted Friday, November 14, from 7 until 9 p.m., and on Saturday, November 15, from 8 a.m. until "sold out."

The following presided as hostesses at the meeting: Mrs. Carl Westerdahl, Mrs. Jean Shuler, Mrs. Glenn Guise, Mrs. C. William Zhea and Mrs. William Ziegler.

Out of town weekend guests at the home of Mr. and Mrs. Edgar Aultman, Gettysburg, included Mr. and Mrs. Howard Moritz and daughter, Ashild, O. C. and Mr. and Mrs. Cloyd Bus, Mansfield, Ohio.

## Polls Crowded

(Continued from Page 1)  
booth—did the big vote mean "a landslide for Ike" as Republicans hoped, or "a sweep for Stevenson" as Democrats wished?

The result may be known around midnight tonight, or, if the voting is extremely close, perhaps not until sometime tomorrow. The last of the polls to close, some on the West Coast, will be open until 11 p. m.

As usual, a scattering of smaller precincts got in all their votes and made a count soon after the opening hour.

Sharon, N. H., bidding to be first in the nation, had all its votes in by seven minutes after midnight. The count: Eisenhower 32, Stevenson 14.

Four years ago, the vote in Sharon was 21 for Republican Thomas E. Dewey, four for Democrat Harry Truman and two for Progressive party candidate Henry A. Wallace.

**Four And Four**  
Brown's Farm, Fla., gave Eisenhower four and Stevenson four. In the last election, it gave Truman four and J. Strom Thurmond, State's Right candidate, two.

Rutland, another small Florida precinct, reported 14 for Stevenson and 10 for Eisenhower. Officials didn't recall how it voted in 1948.

From Cataloochee, a mountain cove in North Carolina's Great Smokies, the returns were 7-0 for Stevenson. Truman got the seven votes there four years ago.

Pointe Aux Barques, Mich., announced 15-0 for Eisenhower. It was 14-0 for Dewey in '48.

Eisenhower and his wife, "My Mamie" who campaigned by his side, were among the early voters in New York City. They got their ballots in at 7:35 a. m. and went back to their home at Columbia University to await the returns.

Stevenson was in Half Day, Ill., to cast his ballot.

**Truman Votes Early**  
President Truman voted early at Independence, Mo., and left on his campaign train at 10:08 a. m. for Washington. Mrs. Truman and their daughter, Margaret, went to the voting place with him and got their ballots in right behind his.

Despite the intensity of feeling aroused at many places over national and local issues, there were no reports of disorder in the forenoon hours.

Fourteen Texas Rangers were sent to Alice, in Jim Wells County, however, because of concern that the heat generated in a local political fight there threatened the peace.

Texas is one of the traditionally Democratic Southern states that the Republicans hoped to capture, and the way both sides were getting out the vote was illustrated in Houston. Auto traffic was snarled and precinct judges were swamped. There and in Dallas there were lines of voters two blocks long before the polls had been open an hour.

**Heavy Early Vote**  
Here are reports from some other places:

Baltimore—About 25 per cent of the registered voters cast their ballots in the first two hours—Thousands were waiting when the polls opened.

Minneapolis-St. Paul — Polls swamped by early voters who lined up in large numbers before polls opened at 7 a. m. Estimated 25 per cent of registered vote cast in Minneapolis first two hours. Election judges called for more help.

New York State — Extremely heavy early voting. Some election officials called it the biggest in history.

New York City—More than 25 per cent of registered vote in Manhattan and Bronx cast by 10 a. m. with some sections, including Harlem, going as high as 30 per cent.

Detroit — 131,720 voted in first two hours; nearly 40,000 ahead of 1948 vote. All sections of state reported unprecedented early turnout.

**Block Long Lines**  
Omaha—Voters at polls in droves. Voters lined up when polling places opened; some lines block long.

Philadelphia — Voting unusually heavy in city and suburbs and in numerous other Pennsylvania cities. In Philadelphia, lines formed at many polling stations well before opening time. Veteran politicians of both parties say it is likely Philadelphia will have record turnout of 850,000.

Chicago — Spot check indicated 230,000 voted in first hour, supporting predictions of record vote of over two million in city. Downstate, balloting extra heavy, with many precincts reporting more than 100 voters an hour with lines formed.

Ohio—Early voting called heaviest in history in Cleveland, Columbus, Cincinnati and other cities.

Kansas City—Very heavy vote. Election officials got calls for additional voting supplies from all sections of city two hours after voting places opened. Commissioner Patrick J. Corcoran said, "We had dozen extra booths here for emergency. We could use ten dozen more."

Florida — Voting very heavy. Miami election officials worried because constitutional amendments were keeping some voters in both as much as 30 minutes. Directed that five minute legal limit be enforced.

Fire believed caused by a stove destroyed a wash house on the farm of Paul Anthony, two miles north-west of East Berlin, at 7:15 a. m. Monday. No estimates was made of the loss. East Berlin firemen saved a number of nearby chicken houses and the farm dwelling.

## 169 Military Votes Returned To County

Of 200 military ballots sent to Adams Countians in the armed forces, 169 have been returned to date, one of the largest returns since such ballots were authorized. Clerks of the county election board estimated total returns of military ballots would exceed 180, based on the numbers returned after election day previously.

The county issued one veterans ballot for veterans in armed forces hospitals. The ballot, sent to Gen. Arthur Nevin, farm manager for General Eisenhower, now a patient at Valley Forge Hospital, was returned several days ago. The ballot was sealed but it was not believed locally that it was cast for Stevenson.

## WASH HOUSE BURNS

Fire believed caused by a stove destroyed a wash house on the farm of Paul Anthony, two miles north-west of East Berlin, at 7:15 a. m. Monday. No estimates was made of the loss. East Berlin firemen saved a number of nearby chicken houses and the farm dwelling.

in size. The construction will include a 2,000 square foot auditorium - gymnasium with an 18 foot stage, adjoining a cafeteria of similar size. The two rooms would be separated by doors so that they could, if need be, be made into one large room.

Details of the recommendations of the State Department have been turned over to the architect, Keefeauver said. The architect is to draw preliminary plans for the construction which will be voted upon by the joint board before final plans are drawn and bids for the contracts asked.

All of the school directors will have an opportunity to view various types of school construction before the board goes ahead with plans for the new elementary school, according to a decision of the executive committee.

**Plan Inspection Trip**  
Dr. Keefeauver was instructed by the committee to arrange with the architect for some suitable Sunday, probably in December, on which the directors will make a visit to various buildings in neighboring counties to study their construction. The trip will be made by Mount Joy Twp. school bus, the committee said.

Ralph Guise, head of the Planning committee, expressed the hope that all of the 37 directors in the jointure would make the Sunday trip. "I'm afraid too many directors will take it too easy before we decide to build, and then will squawk afterwards. They should be on the job now, thinking about this building. And they should visit other buildings, because you can see more than can be explained to you."

The members of the executive committee agreed to "talk up" the proposed trip at meetings of their boards between now and the meeting of the joint board in December. At that December session Dr. Keefeauver is to announce the date for the tour.

**Mrs. Burkholder Resigns**  
Resignation of Mrs. Mary Lou Burkholder as dietician at Gettysburg High School, effective January 1, was accepted. Mrs. Burkholder is serving her second year as head of the cafeteria. Mrs. Alice Lower, Seminary Ave., was named as cafeteria manager, at the same salary as that paid Mrs. Burkholder, to begin her duties January 2.

Superintendent Keefeauver was authorized by the board to name a janitor, or janitors, from a list of seven applicants for the posts. A man named previously to become janitor has been unable to accept the appointment, Keefeauver said.

The executive committee authorized a \$15 a month pay increase for all janitors.

**Apply for Car**  
The new business manager for the joint district, Kenneth G. Rinehart Jr., was named as secretary of the joint board to fill the vacancy caused by the death of Paul M. Rohrbach.

Application was made through the American Automobile Association for a Chevrolet to be used in the driver training instruction at the local high school. The committee voted to rotate cars each year among the Ford, Chevrolet, Oldsmobile and Pontiac dealers, all of which companies offer cars for such instruction, if the local dealers are interested.

Members were agreed that it would be "unfair" to ask one dealer to furnish the car every year if the other companies were willing to provide such vehicles.

The executive committee voted to renew the boiler insurance at the Gettysburg schools for another three years for \$307. The insurance pays up to \$10,000 in the event of any boiler explosion. It covers three boilers at the high school, one at the Lincoln school and two at High Street School.

**Get Monthly Reports**  
Income of the jointure during October totaled \$78,711.83 and expenditures were \$32,615.76, leaving a balance of \$46,096.76. Income included a balance of \$21,857.33, tuition of \$56,500 and other income of \$354.50. Expenditures included \$516.56 for general control, \$383.32 for auxiliary agencies, \$1,038.17 for operation of the school buildings, \$5,852.19 for maintenance of the school buildings and supplies and \$6,877.03 fixed charges (teachers' retirement).

The Gettysburg High School activities fund account showed a balance of \$9,139.59, deposits of \$3,213.37, withdrawals of \$2,904.11 and a balance as of October 31 of \$9,448.85.

The Gettysburg High School Athletic Association report showed a balance October 1 of \$4,800.17, receipts during the month of \$3,845.20, expenditures of \$4,317.23 and a balance November of \$4,328.14.

## CARS COLLIDE

An automobile operated by Richard S. Trostle, 48, of 70 Carlisle, St., Hanover, ran into the rear of the car of Robert E. Masenheimer, 23, of Hanover R. 3, at 8:30 p. m. Monday on the Hanover-East Berlin Rd. two miles north of Hanover, state police of the Gettysburg substation said today. Both automobiles were traveling south, according to police. Damage to the Trostle car was estimated at \$93 and to the Masenheimer car at \$25. No one was injured.

**Philip Fitz, 20, of Blue Ridge Summit**, was held for court this morning by Justice of the Peace John H. Basehore on a morals charge, and committed to the Adams County Jail in default of \$1,000 bail.

## MICHIGAN STATE TIGHTENS HOLD ON FIRST PLACE

NEW YORK (AP)—Mighty Michigan State strengthened its grip on the top spot in the Associated Press football poll today, closely followed by Maryland, Georgia Tech and Oklahoma, but the shadow of a four-time winner hung over the rest of the top 10 teams.

Notre Dame, squeezing back in to the top 10 on the bottom rung of the ladder, has a date with fourth-place Oklahoma this week. One week later the Irish, who ruled the roost in 1943, '46, '47 and '49, meet Michigan State and on Nov. 29 battle with Southern California, current No. 6 team.

**Increased Margin**  
Thus Notre Dame once again will have a lot to say in the naming of college football's No. 1 team of 1952, even if that team isn't Notre Dame.

Michigan State, although polling less first-place votes than Maryland in the eyes of 136 sportswriters and broadcasters in the sixth AP poll, actually increased its point margin from 26 points to 109. It had a total of 1,204 points.

**How They Stand**  
The leaders with points on a 10-9-8, etc., basis (first place votes in parentheses):

	points
1. Michigan State (35)	1,204
2. Maryland (35)	1,095
3. Georgia Tech (27)	1,047
4. Oklahoma (27)	913
5. UCLA (11)	909
6. Southern California (3)	659
7. Kansas	322
8. Tennessee	322
9. Purdue	191
10. Notre Dame	177
The second 10:

## THREE FLYERS LEAD SCORERS

NEW YORK (AP)—The St. Louis Flyers' sensational rookie line of Guyle Fielder, Marcel Bonin and Mott McLean today held the lions share of the honors in the American Hockey League's scoring race. Fielder, one of the few hockey players born in the United States, tops the league in scoring with 13 points. Fielder, who hails from Pocatello, Idaho, has collected six goals and seven assists. He's tied with Buffalo's Vern Kaiser for the lead in goal-getting.

Bonin and McLean also are among the top 10 scorers. Bonin and McLean are tied with four other skaters for sixth place at eight points each. Fielder and Bonin share the lead in play-making with seven assists apiece. Hershey's Arnie Kullman is second in the scoring derby with 11 points. Zello Toppazzini, Providence, Sam Bettio, Hershey, and Phil Maloney, Pittsburgh, are deadlocked for third place at nine points each.

Veteran Goalie Phil McAtee of Buffalo tops the parade in the battle for netminding honors. McAtee has a 2.00 goals-against mark. He's also tied with three puck blockers for the lead in shutouts at one each.

## Season Tickets For Cage Games On Sale

Reserved seats for Gettysburg College basketball games will be placed on sale at Britcher and Bender Drug Store, and the Gettysburg College athletic office, November 12, according to an announcement today by C. E. Bilheimer, athletic director.

Reserved seat season tickets for the eleven home games will sell for \$15, a saving of \$1.50 over the regular price of \$16.50 per game. By buying season tickets, the purchaser is assured of good seats for all home games, which includes University of Virginia, Muhlenberg, Bucknell and Franklin and Marshall among others.

Mr. Bilheimer urges all interested parties to purchase their tickets early. "The earlier the purchase, the better the seats," explained the Gettysburg athletic director.

## Bream Again Heads Athletic Council

Glenn L. Bream, West Broadway, was reelected president of the Athletic Council of Gettysburg College at a meeting of the council Friday evening in the offices of Athletic Director C. E. Bilheimer. Other officers elected were: vice president, Ann Foose, Harrisburg; a member of the senior class, and secretary, Earl E. Ziegler, South St., a member of the faculty.

Policies for the coming year headlined the discussion. Those present included: President Dr. Walter C. Langsam, Dean Dr. W. E. Tilberg, Dr. C. L. S. Raby, Philadelphia, a member of the board of trustees; William H. B. Stevens, Harrisburg; Al Hershberger, Robert Pizolato, and Miss Foose, all undergraduates; Mr. Bream, Mr. Ziegler, and Mr. Bilheimer.

## Mickey Mantle Unfit For Duty

WASHINGTON (AP)—The Army Monday held New York Yankee star Mickey Mantle physically unfit for military service. The finding, based on new examinations, renewed a previous ruling.

Major Gen. George E. Armstrong, Army surgeon general, made the announcement after examining the record of physical examinations recently conducted at Ft. Sill, Okla.

Armstrong said the current disqualification of the baseball player was based on a chronic right knee defect resulting from an injury sustained in the 1951 World Series. The Army examination found his condition to be "serious enough for mandatory rejection under armed forces physical standards."

Mantle had been rejected previously because of a history of osteomyelitis of the left leg.

## ONLY 4 GAMES SCHEDULED FOR LOCAL FIELDS

Only four football games are scheduled to be played this week on Adams County grids.

Gettysburg Junior High winds up its home campaign by playing host to Chambersburg Thursday evening at 7 o'clock.

The Gettysburg College freshmen, unbeaten in their two starts, clashes with the Franklin and Marshall yearlings here Friday afternoon at 3 o'clock.

Littlesville High concludes its season Friday night when it takes on unbeaten Boiling Springs on the Thunderbolts gridiron.

Other games will find local teams journeying into foreign territory.

## GHS At Mechanicsburg

Gettysburg High, with a 5-2-1 record, will attempt to finish its season successfully at Mechanicsburg. The Wildcats still have a chance for first place in the South Penn conference while the Warriors will be merely playing out their schedule after having been eliminated by Hershey.

Saturday will mark the resumption of the Gettysburg-Dickinson College series at Carlisle. As a result of their second half comeback victory over Lebanon Valley, the Bullets now boast a 4-2 record.

The Biglerville freshmen will be host to Delone on Thursday. Delone frosh.

Delone's varsity will be idle this week but resumes its schedule with Carlisle at McSherrystown November 14.

## Bill Williams Hurt In Saturday Game

William Williams, a freshman at Shepherd College, Shepherdstown, W. Va., and son of Mr. and Mrs. Clyde A. Williams, Hanover St., is convalescing at his home after receiving a concussion and dislocated vertebrae during a football game Saturday.

The former Gettysburg High athlete was injured in the 7-7 game with Wilson Teachers College, Washington, D. C., and was taken to the hospital at Martinsburg after which he was discharged. Williams fills the fullback position.

## Canner Reserves Defeat Red Lion

Biglerville High School reserves scored in the beginning of each half to defeat the Red Lion jayvees, 14-0. Monday at Red Lion in the Cannery final game of the season.

The visitors launched a 70-yard drive after receiving the opening kickoff with Paul Little, a halfback, making the touchdown from the five-yard line. Recovering a Red Lion fumble of the second half's kickoff on the home team's 42-yard line, Biglerville drove the rest of the way for the second score. Decker's 18-yard run sparked the scoring drive and Wayne Guise, quarterback, scored from the one-yard marker.

Decker made two successful placekicks for the extra points. Red Lion's best efforts came in the closing minutes, the game ending with the Gold and Black four yards from the Biglerville goal.

## CHICAGO CUBS SIGN NEGRO

NEW YORK (AP)—The Chicago Cubs may be the next club to sign a negro player. Gene Baker, 27-year-old shortstop, property of the Los Angeles club of the Pacific Coast League, will be given a try-out next spring. If Baker makes good, he will be transferred to the parent Cub roster. Clubs with negro players include Brooklyn, Cleveland, New York Giants, Boston Braves, St. Louis Browns and Chicago White Sox.

## Browns Want Doby

The Browns still haven't given up trying to wrangle Larry Doby away from the Indians. Their latest offer is reported to have included Bill Hunter, the \$150,000 shortstop purchased from the Dodgers. General Manager Hank Greenberg reportedly turned that down and countered with his own proposition for second baseman Bobby Young, catcher Clint Courtney and Pitcher Bob Cain.

## Tigers Like Kuenn

Harvey Kuenn, \$55,000 Wisconsin University bonus kid, will become one of the great infielders of baseball, according to Detroit General Manager Charley Gehringer. The young Tiger shortstop played the final 19 games of the 1952 season for Detroit, batted an even .300 and fielded .963. He graduated from Wisconsin U. last June and played only 68 games before joining the Tigers.

"Kuenn can hit and hit with power," said Gehringer. "He has almost flawless batting style. In 80 times at bat with us, he struck out only once. Bob Lemon was the only pitcher to strike him out."

## Bob Haner Is High Collegiate Scorer

PHILADELPHIA (AP)—Grid captain Bob Haner of Villanova, who scored all his team's points in its 20-20 tie with the Parris Island Marines last week, has widened his lead in the Pennsylvania collegiate football scoring race.

The latest Associated Press survey showed the powerful fullback has scored 78 points on 10 touchdowns and 18 extra conversions.

Harry Miller of Kings College, who held the lead in the early weeks of the season, hung onto second place. He scored twice last Saturday. The fast running back now has 11 TD's for 66 points.

Bob Craig of Lock Haven scored three times to help his team beat Indiana 20-19 and vaulted into third place with 60 points. One ahead of West Chester's Earl Hersh. Craig has scored 10 touchdowns and Hersh nine with five conversions.

## Indiana Football Player Has Polio

PITTSBURGH (AP)—A 20-year-old Indiana University football player is in Pittsburgh's Municipal Hospital today, a victim of polio.

He is Jerry Anderson, 210-pound senior end. Anderson was stricken Friday while en route here by plane for the Hoosiers' game with the University of Pittsburgh.

Dr. I Hope Alexander, head of the city health department, said Anderson has "extreme weakness in both legs but no paralysis." He described the youth's general condition as good.

Anderson's illness is not expected to result in cancellation of any of Indiana's remaining grid contests. A spokesman said there is no indication any other member of the team was affected.

## CONTINUE BAN ON HUNTING

HARRISBURG (AP)—Pennsylvania hunters, prevented from opening the small game season, Nov. 1 by drought conditions, received little encouragement from the weather-man today.

Scattered showers yesterday ranged from traces to a maximum of one-third of an inch at Franklin, Venango County, but today's forecast was for cloudy and cooler with no precipitation other than snow flurries in mountain areas.

State officials have indicated a general soaking rainfall over the state is necessary before the no hunting ban can be lifted. The indefinite ban was imposed by Gov. John S. Fine in the interests of preserving the commonwealth's woodlands.

## Consider Refund

Rains yesterday in the eastern half of the state were from .01 of an inch at Allentown to .06 of an inch at Wilkes-Barre. In the western sector rainfall was from .01 at Pittsburgh to .07 at Phillipsburg.

Meanwhile, the State Game Commission called on the Justice Department for an opinion on the question of license Refunds. "We want a legal basis on any decision on whether hunting license fees should be refunded in the event we have such requests," Thomas D. Frye, executive director of the commission, explained.

Resident hunting licenses sell for \$3.15 while non residents pay a \$20 fee to hunt in Pennsylvania.

Frye also emphasized that when the ban is lifted it will be on a statewide basis and not by sections. He recalled Gov. Fine's statement imposing the ban which included a reference to prohibiting hunting in certain sectors only. The governor believed this would produce only confusion.

## CARDS, BROWNS, TURN TO FRICK OVER BRECHEN

ST. LOUIS (AP)—The Cardinals and Browns are at each other's throats again—this time over Harry (The Cat) Brecheen—and the issue has gone to Commissioner Ford Frick for settlement.

Fred Saigh, owner of the St. Louis National League club, said last night he has protested the matter on two counts—the local American League's either "tampered" with Brecheen while he still was a Cardinal pitcher or did so after he had an oral agreement to become a Redbird coach, or both.

Brecheen, 38, was signed by the Browns last week to pitch in 1953. Saigh said he didn't "want Brecheen back on my club," adding that he did want "our neighbor to quit meddling in our affairs."

Browne owner Bill Vecek immediately denied the charge saying:

**Claim Rule Violations**  
"We adhered to the rules and have nothing to worry about. He's just trying to save face. I'm very happy to have him protest, because I've lost so many protests, and misery loves company."

Saigh contends the Browns could not legally talk to Brecheen until Oct. 28. Brecheen said at his home in Ava, Okla., that Marty Marion, the Browns' manager, didn't talk to him until Oct. 10. He said a seven-day period follows for other clubs to claim the pitcher. Another six-day period, Saigh said, follows during which Brecheen could reject any claims on him since he is a 10-year man. Then, Saigh added, comes another five-day period before the club has to grant an unconditional release.

Actually, Saigh added, Brecheen has never asked for or received a release from the Cardinals.

## \$1290 PAID IN DAILY DOUBLE

SAN BRUNO, Calif. (AP)—A \$1,290 daily double, a jockey's miraculous escape from serious injury and the continued sensational riding of Willie Shoemaker featured racing at Tanforan yesterday.

Roman Pennant, paying \$74.70, coupled with Prince's Bid, \$20.40, produced the fancy daily double payoff—highest this year on California tracks.

Charles Iles, 19-year-old apprentice from Coolidge, Ariz., was tossed hard into a concrete ditch in the infield in the sixth race when his mount, First Cutting, attempted to jump the inside rail. Iles escaped with a fractured wrist and bruises.

For the third time in the seven days of the meeting, Shoemaker rode four winners. They were Golden Abbey \$4.30; Play Hookey \$5.10; Shinaway \$5.20 and Keene Black \$5.30.

## HORSE SHOW OPENS IN N. Y.

NEW YORK (AP)—The National Horse Show—not only one of New York's top sports attractions but also the event that signals the opening of the society season—began an eight-day run at Madison Square Garden today with no fewer than 625 horses of all shapes, sizes and colors on hand.

They represented 20 states and four foreign countries and all are champions of a sort having taken ribbons in one of the 1,200 shows that have been held around the nation during the year.

As usual, the big attraction is the international jumping contests, which pits the United States against teams from Mexico, France, Canada and Ireland. All except the Irish took part in the Olympics and it will be the first time since 1950 that the French have been here although they were represented by the Cadre Noir, which gave dressage exhibitions last year.

## Sports In Brief

### By The Associated Press

**GENERAL**  
KANSAS CITY — The NCAA Council recommended that Kentucky be placed on probation for all sports during the 1952-53 school year and that Bradley of Peoria, Ill., should not be permitted to participate in the post-season NCAA basketball tournament. Both colleges, which violated NCAA rules, accepted the recommendations and Kentucky complied by cancelling its basketball schedule for the coming season.

### BOXING

TRENTON, N. J. — The National Boxing Association suspended heavyweight Jimmy Bivins of Cleveland from boxing because of a fight contract violation. The suspension, however, came too late to stop Bivins' fight Monday night in Providence.

### RACING

BALTIMORE—Canadiana (\$3.80) won the \$5,000 No Score Purse at Pimlico.  
NEW YORK—Dark Count (\$25.00) came fast in the stretch to capture the Charentus Purse at Jamaica.

## PRO GOLFERS HONOR BOROS

CHICAGO (AP)—The dramatic rise of Julius Boros from obscurity to fame and fortune in one season today earned him professional golf's highest award.

The 32-year-old Hungarian-born swinger was selected "Professional Golfer of the Year" by the Professional Golfers' Association.

He received an overwhelming 314 votes in a poll of PGA members and sportswriters. Runnerup Sam Snead got only 26 votes.

Boros has been a professional only three years. He never won a major golf tournament, professional or amateur, until he captured the National Open Title at Dallas, Tex. last June. He parlayed this championship with a number of other purses and emerged golf's leading money winner with a total of more than \$37,000.

## BAKER FIGHTS DEC. 2

PITTSBURGH (AP)—Bob Baker, Pittsburgh heavyweight, will fight Dec. 2 at Duquesne Gardens. His opponent has not been named. The match will be the first big-time bout at the Oakland Arena in two years.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

FIFTY YEARS AGO

**Firemen's Ball:** The Firemen's Ball on Thursday evening was a grand success. In the evening the Firemen headed by the G. A. Band paraded the principal streets of our town, after which they marched to Xavier Hall where a large crowd had assembled.

The Grand March was led by Mrs. Harry Lackner and Mrs. Robert Rupp, after which Mr. Allen Plank introduced Mr. Harry Cunningham and his troupe of educated dogs. Some of the principal acts were the walking of a tight rope, climbing a ladder, waiting and jumping.

Refreshments were served in the rear of the Hall and a general good time was had by all. The proceeds netted \$50.

**Hospelnorth-Scott:** The home of Mr. William C. Scott, near Fairplay, was the scene of a very pretty wedding Wednesday evening, when his youngest daughter, Miss Mattie, was united in marriage to Mr. J. LeGrande Hospelnorth, of Fairplay. Promptly at 5 o'clock the bride and groom proceeded to the back parlor and were made one by the Rev. D. H. Riddle, of Emmitsburg, Md., in the presence of a number of invited guests. A reception was held the following evening at the home of the groom's parents, Mr. and Mrs. J. T. Hospelnorth, at which about eighty people were entertained.

**Stallsmith-Fuhrman:** About 20 guests assembled at the Fuhrman home on Railroad street, Tuesday evening, Nov. 4th, to witness the marriage of the oldest daughter of the house, Miss Elsie L. Fuhrman, to Edgar F. Stallsmith. At eight o'clock Miss Carrie Stallsmith struck up Mendelssohn's wedding march and the bride and groom entered the parlor attended by Miss Annie R. Wely and Mr. Clarence Wilson. The Rev. A. R. Steck officiated.

A reception followed, during which the guests enjoyed the music of two different serenades.

Mr. and Mrs. Stallsmith will make their home in Cleveland, Ohio.

**Alleman-Hinkle:** Tuesday morning, November 4, at Littlestown, by the Rev. E. E. Blint, Burton A. M. Alleman, son of Mr. and Mrs. D. B. Alleman, and Byrde Hinkle, daughter of the late John Hinkle, of Littlestown, were united in marriage. John Hornberger acted as best man while Miss Julia Baugher Foreman was bridesmaid.

**Marriages:** Biesecker-Kane—Oct. 31st, in this place, by L. H. Meals, J. P. Wm. E. Biesecker, of Fayetteville, to Miss Gertrude E. Kane, of Franklin township.

**Chromister-Deardoff.**—Oct. 30th, at East Berlin, by Rev. Paul M. Spangler, Charles Chromister, of York Springs, to Miss Dora Deardoff, of Heidlersburg.

**Krout-Raffensperger.**—Nov. 4th, in this place, by Rev. T. J. Barkley, Palled B. Krout, of York, to Miss Sarah E. Raffensperger, of this place.

**Football:** The College foot ball team had no trouble in defeating the team of the University of Maryland, of Baltimore, on Nixon field, Saturday afternoon. The game was no doubt the longest ever played on the local field and proved a tiresome affair. At no time was the Gettysburg goal in danger and the final score of 40 to 0 was made with no special effort. On almost every play one or more of the Baltimore players were laid out, their lack of fitness for the game being distressingly evident. The only serious accident was suffered by James, the popular Gettysburg full-back, who broke a rib.

**Personal Mention:** A number of College students are at home over Election Day for the purpose of voting.

The Milkmen's Association, of this town, has advanced the price of milk to 6 cents a quart, but there is no change in the price of cream and skimmed milk.

The car-load of coal which was delivered to Kelly & Oyster this week, has all been delivered to anxious consumers at \$5.50 per ton. The firm expects more in the near future.

**Hotel Sold:** Jacob Shoemaker, of Fairfield, has sold the old Shively

## Today's Talk

By GEORGE MATTHEW ADAMS

### ANTHOLOGIES

I like anthologies — books that contain selected bits of the finest writings of many. They are wonderful books to instill a love for the best that many writers and poets have produced. These books are for those who have limited time in which to read, as well as for those who wish to get an overall understanding of any particular writer.

For example I have an anthology of the writings of Albert Schweitzer, the great man who has devoted most of his life to the primitive people of Africa, and I have other books of like nature containing the writings of Stevenson, Kipling, W. H. Hudson, Thoreau, and many, many others. These are books you can pick up and enjoy for short periods, and always profitably.

Recently I purchased one of the finest anthologies on nature I have ever discovered. It is called "Green Treasury" and is compiled by that finest of nature writers, Edwin Way Teale. He calls it "a journey through the world's great nature writings." It contains over 600 pages of fascinating nature writing from all over the globe. It is especially rich in the writings of those who have produced during the last hundred years—and many of recent times.

This one book is a regular condensed library of great nature writing, from "Pliny to Peattie." I find many a favorite within its covers, writers who have inspired me for most of my life. The author himself is one of the most outstanding naturalists today. His selections comprise a regular treasure house of the sayings of those who wrote from the heart. There are extracts from nearly 200 great writers on nature.

In this perfect anthology there are brief sketches of the writers, and the source of each quotation is noted so that anyone can go further in the reading of those whose contributions are given. A wonderful nature library could be collected by getting many of the books from which Mr. Teale has selected his favorite bits of beauty. This is another of the books on nature that I shall increasingly love and treasure.

Tomorrow Mr. Adams will talk on the subject: "Autobiography Of A Book"

## Just Folks

**ELECTION DAY**  
This is freedom's day of pride.  
One by tyrants all denied.  
These the hours, 'twixt morn and eve

Free men voice what they believe.  
Freedom's implements, these two:  
Ballot sheet and pencil blue.

This the day and this the year  
Free men hail and tyrants fear.  
This the day when strong and weak  
May from mind and conscience speak

And within the sheltered stall,  
Undisturbed, are equal all.

Voter, what your thought may be,  
You to pencil it are free!  
Take the ballot in your hand,  
Great gift of a glorious land,  
As a citizen to use,  
Under freedom, as you choose.

This we call "election day,"  
May it never pass away;  
Day to cherish and to keep  
Ever with affection deep,  
Whether skies be blue or gray,  
This is Freedom's holiest day.

# HUNDREDS AT DEDICATION OF NEW FACTORY

Dedication of the new, modern, day-light plant owned by the Littlestown Manufacturing Company, along the Bonneauville Road, near town, took place on Monday evening. The building was dedicated in honor of Samuel Howard Greenberg, Baltimore, founder of the company and the present vice president.

A plaque has been placed in the foyer of the building and the inscription on it follows: "To Samuel Howard Greenberg, dedicated in grateful appreciation of his leadership and is solely responsible for the progress achieved by this company. Dedicated this 3rd day of November, 1952, by his associates and co-workers." The dedicatory address was given by the Rev. Frank E. Reynolds, pastor of Redeemer's Reformed Church, Theodore E. Greenberg, Baltimore, president of the company, spoke briefly. The program also included music for dancing provided by the Tones of York. Refreshments were served to the many hundreds in attendance. The building was beautifully decorated with baskets of flowers, through the courtesy of the local business men.

The three plants, formerly the Strouse-Baer Company, at South Queen, Lumber and East King Sts., will be housed in the new building which covers 30,000 square feet of floor space. A cafeteria will be built in the plant in the future. The factory will employ about 150 when it opens and more workers will be employed as the business increases. There will be bus transportation to the new plant. It is expected to start moving the machinery from the three plants into the new building next week. Jack Tar Togs, boys' clothing, are manufactured and the company has been in business for 40 years. The new factory will be in charge of Melvin H. Blacker and he will be assisted by Mrs. Edna Sanders.

### Serve 400 Suppers

Over 400 suppers were served by the Parent Teacher's Association of the Littlestown Joint School System on Saturday evening in the high school cafeteria. Roast chicken and baked suppers were on the menu. The members of the PTA extend their thanks to all who patronized the supper, to the Girl Scouts who helped serve and also acted as baby sitters.

"What One Vote is Worth" was the topic of discussion at the meeting of the Christian Endeavor society of Christ Reformed Church on Sunday evening. The topic was discussed by Lewis E. Bair, speaker for the evening. The meeting was in charge of Fred A. Warner, leader and included the group singing of "Brighten the Corner"; Scripture lesson read by John H. Koons; prayer offered by the pastor, the Rev. G. Howard Koons; vocal duet, Patsy Berwager and Ned Berwager; group song, "He Keeps Me Singing". The president, Mervin K. Myers, presided for the brief business session. The meeting concluded with the singing of "Rescue the Perishing" and the Lord's Prayer and C. E. benediction were repeated in union. The regular meeting will be held next Sunday evening at 7 o'clock at the church.

**Eagles Women To Meet**  
Mrs. Annabelle Ohler and Mrs. Edna Weaver will serve as the entertainment and refreshment committee for the first November meeting of the Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226, on Wednesday evening at 8 o'clock at the Eagles' Home, West King St. During the business session plans will be completed to hold a banquet for the members in observance of the first anniversary of the organization on Thursday, Nov. 13, at the Eagles Home in Gettysburg.

The November meeting of the Consistory of St. Mary's Reformed Church, Silver Run, will be held Wednesday evening, 7:30 o'clock, at the church.

A special program will be presented in conjunction with the annual banquet of the members of the Woman's Community Club of Littlestown and vicinity on Wednesday evening at 6:30 o'clock in the social hall of Redeemer's Reformed Church. The education committee consisting of Mrs. Garnet E. Schell-hase chairman, Anna B. Leach, Mrs. Edna Geiselman, Mrs. William H. Dixon, Mrs. Claude White, Mrs. William Wilt and Mrs. George I. Bemiller will be in charge of arrangements.

## TELLS COUNCIL

(Continued from Page 1)

Bream property, Springs Ave. and West St., causing a depression dangerous to children. The borough will ask Mr. Bream to fill the hole. Winebrenner was directed to trim a tree on the Durboraw property which, it was claimed, obscures a street sign.

### Lighting Problems

Council voted to move a 1,000 lumen street light from in front of the Baptist Church to the alley in the rear of Trinity Reformed Church, and to install a new 2,500 lumen light in front of the Baptist building. Requests were received for removal of two trees, in the rear of the Reformed Church and on the Bristol property, W. Water St. They were referred to the borough engineer.

Council authorized Winebrenner to purchase a new traffic light control box "if and when needed" after he and Burgess William G. Weaver reported that a control box at Baltimore and Middle Sts. had been giving trouble.

Winebrenner said present control boxes were purchased from the Crouse-Hines Co. of Syracuse, N. Y. He said they did not service them in this area, and it took several weeks to obtain parts. He recommended that "Eagle" control boxes, manufactured in Philadelphia and serviced by the Swan Electric Co., Hanover, be used.

**Janitor Is Special Policeman**  
Burgess Weaver reported that the janitor at the Meade School had been employed for one hour a day and sworn in as a special police officer to assist in directing traffic at the school when children are leaving. A complaint received by the burgess that the end of an alley between Breckenridge and W. High Sts. is in need of repair was referred to the borough engineer.

The council authorized the Gettysburg Fire Department to purchase a new nozzle at a cost of \$120.50, the bill to be paid by council. The burgess also asked council to consider paying next year for 25 new sets of coats and boots for firemen. He said he understood that the approximate cost, \$1,400, could not be taken out of the present budget. Council, he was informed, could not commit itself now for next year. He said the fire department would probably purchase the outfits and "take a chance" on being paid by the borough.

Council elected Guile W. Lefever as a director of the Gettysburg Recreation Board, after receiving a letter from the board notifying council that Mr. Lefever, principal of Gettysburg High School, had been recommended by the school board for this directorship. He will fill the unexpired term of D. J. Wolff, which will expire in September, 1953.

## PRESENT SKIT FOR 60 DADS

"Dad's Memoirs" lent a nostalgic touch to the smoker held for the fathers of the Independent Men's organization of Gettysburg College Saturday evening at 9 o'clock in Weldensall Hall, college campus. The affair, which followed the Father's Day program in the gymnasium, stressed the styles and happenings of the flapper age.

An autumn decor included festoons of scarlet and woodland oak leaves, yellow sugar maple leaves and pumpkin and copper. Posters suggesting the Father's Day theme were placed about the room and the decorations were supplemented by candles and colored lights.

The program included a skit entitled "Dad's Memoirs" written, directed and produced by Frederick Wentz Sr., in four acts. John Clark, George Rieker and Nelson Meyers performed a chorus girl routine in act one; Edward Webster, James Ziegler and Fred Wentz presented a flapper girl skit in act two; a mystery dialogue was given by Ruth Davis and Tom Goldsborough in act three. The program closed with the cast and audience singing "Look For the Silver Lining."

The master of ceremonies was Ralph Worley with Alan Comery assisting as pianist. George Rieker was general chairman, with the following assistants: invitations and reception, Frank Segal and Jack Riedel; program, Fred Wentz; publicity, Nelson Meyers; program, John Clark; lights, Al Siegal and Richard Macomber; costumes, Cynthia Gingrie; refreshments, Albert Weber; decorations, Colin Neuhauser.

Among the 65 in attendance were Dr. Walter C. Langsam, Dean Robert Fryling and Prof. Angel Franco, who were guests. Refreshments included coffee, cider and crullers. Additional smokers were held Saturday evening in the various fraternity houses and sorority rooms.

the last two years. A new record in volume of business and revenue is being sought in this anniversary year, he said.

**Set Minstrel Dates**  
The anniversary film, which included views of the Gettysburg Battlefield and the Carlisle St. station, pictured the growth of the Western Maryland from a nine-mile line with one locomotive in 1852 to the vast operation it involves today as a common carrier linking east coast ports, chiefly Baltimore, with the Great Lake cities and the midwest. Its rapidly expanding port of Baltimore establishment where 60 huge coal gondolas can be dumped an hour on the Western Maryland pier and car floats and elevators add to the extent of the railroad's business there.

President John S. Rice presided at the meeting with 118 members and guests in attendance. J. Howard Gaines of the local Western Maryland office introduced Mr. Frantz.

Mr. Frantz told the clubmen the pageant, "Mr. Lincoln Goes to Gettysburg," is receiving worldwide acclaim as the "piece de resistance" of the railroad's centennial celebration. He said a color film of that event is being prepared and edited and will be brought here for showing early next year.

Members of the club's board of directors, meeting after the general session, set April 20, 21 and 22 as the dates for the annual Lions Club minstrel show for the benefit of the club's Charity Fund. The show will be given at the high school.

The Community Betterment committee and the club chorus also met after the dinner meeting at the Shetter House.

### HIGHWAY DESIGNER DIES

CLAREMONT, Calif. (AP)—A former Williamsport, Pa., man, who drafted the plan for the famed "Alcan Highway" in Alaska, died at his home here yesterday.

Donald MacDonald, 72, went to Alaska in 1914 as locating engineer for the Alaska railroad.

He first presented his plan for the highway through Alaska and Western Canada in 1927.

MacDonald came here from Alaska in 1951.

### WOMAN IS KILLED

SLATINGTON, Pa. (AP)—A Reading freight train and an automobile collided at a grade crossing yesterday, killing Mrs. Ada Metzger, 68, and seriously injuring her husband, John, 72, only 300 feet from their farm home.

State police officer John Repko said Metzger was driving the car. The collision occurred at a grade crossing on the Slatington-Seagerville road.

### COP SHOOTS SELF

POTTSVILLE, Pa. (AP)—A Pottsville policeman accidentally shot himself in the right hip last night. LeRoy Cole, 52, was entering his patrol car after shooting a dog that had been acting suspiciously when his service revolver caught either in his clothes or the door.

The bullet penetrated about an inch and plowed down to his knee.

Walter B. Lane served as projectionist for the showing of the movie made by a student of Gettysburg College for the alumni office.

### Cairns "Ambassador"

James S. Cairns was appointed "ambassador extraordinary" for the local Rotary Club in a connection with a trip to Europe he, his mother and sister are scheduled to begin in about a week. Cairns was presented with a supply of the Gettysburg Battlefield booklet written by Dr. Frederick Tilberg for presentation, as a gift from Gettysburg Rotary, to Rotary clubs he attends in Europe.

Julius Swope explained further details on the rummage sale to be held by the club this month. Dr. Harold Dunkelberger urged attendance at the district conference in Harrisburg.

President Richard E. Dreas presided with 57 present. Vice President Walter Lane announced that Ernest Dunbar, Littlestown, past district governor, will speak next Monday evening at the meeting of Rotary at the YWCA on the recent Rotary International convention at Mexico City.

Newspapers have made unprecedented gains in the past 12 years. In 1940, it appeared they had hit a peak and could only level off from there. However, the most fabulous job of all has been done since 1940, with daily papers reaching a total circulation of 54,000,000 and Sunday papers 46,000,000. This is an increase of 31.7% for dailies and 43.8% for Sundays in only 12 years.

Mrs. Eisenhower graciously acknowledged the gift of a bushel of apples which H. Earl Pitzer, Aspers, gave the Eisenhowers aboard their special train when they were in Harrisburg last week. The letter, signed "Mamie Doud Eisenhower," follows:

"Thank you so very much for the bushel of apples which we have dipped into liberally and enjoyed no end. They are just the right thing to satisfy that between meal hunger which we all seem to develop this time of year. You are so thoughtful to remember us in such a nice way! With all good wishes to you!"

## Littlestown

## THREE SERVICES HELD ON SUNDAY BY METHODISTS

Three special services were held in the Centenary Methodist Church on Sunday in observance of 125 years of Methodism in Littlestown. The morning worship at 10:30 o'clock was very well attended. The order of worship included an anthem by the Adult Choir with Mrs. Harvey B. Simons, church organist, presiding at the console. Presentation of the anniversary gift took place. A vocal solo, "Rock of Ages," was sung by Mrs. J. Leslie Yohn accompanied by Mrs. Simons. The sermon was presented by the Rev. Dr. John W. Long, a former pastor of Centenary Church and now president of Lycoming College, Williamsport, Pa. Dr. Long was introduced to the congregation by the pastor, the Rev. Harvey B. Simons. The altar flowers, baby mums, and a basket of autumn flowers were presented by Paul M. Randall in memory of his mother and all deceased members of the congregation.

At 2:30 o'clock there was a service of music, reminiscing and fellowship in charge of William R. Schmucker, Washington, D. C., a former member. This service included two vocal solos, "My Cathedral" and "He Smiled On Me," sung by Donald Miller of Hanover. The afternoon service was also well attended.

## Church Filled In Evening

A capacity crowd was present for the evening worship at 7:30 o'clock. A sermon on the subject "Peace I Leave With Thee" was brought by the Rev. Dr. Lester A. Welliver, a former district superintendent and now president of the Westminster Theological Seminary, Westminster. Greetings from the Littlestown Ministerium were extended by the president, the Rev. David S. Kammerer. Special music included the following selections by the Littlestown Men's Chorus, under the direction of L. Robert Snyder with Miss Shirley M. Hawk at the piano: "Onward Christian Soldiers," "In a Monastery Garden," "Thanks Be To Thee" and "The Lord's Prayer" with Stewart N. Long as tenor soloist.

A historical sketch of the Centenary Methodist Church was prepared and presented as follows: 1819, Mrs. Rachel Sweeney, first Methodist of Littlestown; 1827, first Methodist class held in this community; 1845, December 25, first church dedicated, Rev. Thomas McMullin, pastor in charge; 1876, organization of the Littlestown Circuit which included Littlestown, Rock Creek, Fairfield, Orrtanna, Pleasant Grove, Fountaindale, the Rev. Owen Hicks, pastor; 1877, the second, or Centenary Church dedicated, Rev. Hicks, pastor; 1879, Union Mills, Md., added to charge; 1880, Union Mills dedicated, Rev. I. N. Moorhead, pastor; 1882, first parsonage purchased; 1883, Centenary remodelled, Rev. J. H. Deibel, pastor; 1899, Littlestown charge formed, Littlestown and Union Mills; 1908, the present parsonage built, Rev. John W. Long, pastor; 1912, Centenary Church rededicated, Rev. W. E. Watkins, pastor.

1925, Nov. 1, the Methodist social hall dedicated, the Rev. B. L. Stenger, pastor; 1933, Centenary Church re-dedicated, Rev. D. D. Kauffman, pastor; 1939, Methodist unification Centenary became the Centenary Methodist Church instead of Methodist Episcopal; 1946, new oil heat furnace installed in church, Rev. Robert Sheehan, pastor; 1948, Centenary re-dedicated, electric Eby organ installed, "Gethsemane" painting presented by Mrs. Bertha Babylon, while the Rev. Grantas E. Hoopert was pastor; 1950, parsonage improvements made and rest room installed in church during the pastorate of the Rev. Mr. Simons, present pastor.

C. E. Group Meets  
James Zulick was the leader for the meeting of the Christian Endeavor Society of St. Paul's Lutheran Church on Sunday evening in the church social hall. The program included: A song, by the group with Jean Blocher at the piano; Scripture

lesson read by Susan Baumgardner; prayer offered by the pastor, the Rev. David S. Kammerer; C. E. pledge repeated in unison and group song "The Topics 'What's One Vote Worth' and 'Television Will Get You'" were discussed by James Zulick.

The society president, Mrs. Jean DeGroot, was in charge of the business session. The secretary, William Benner, gave his report. One new member was welcomed into the society, Robert Hall. It was announced that for the meeting on Nov. 16 Charles E. Ritter, president of the Littleton Shoe Company, will show slides on New Mexico. Jean Blocher was selected to be the leader for the meeting next Sunday evening at 6 o'clock when the topic for discussion will be "This Is Africa." The meeting concluded with a song, receiving of the offering and the C. E. benediction repeated in unison.

Joan Kowitz, president of the Youth Fellowship of Redeemer's Reformed Church, presided at the meeting of the group on Sunday evening in the social hall of the church. Barbara Swan was in charge of the opening devotions and also led the discussion of the topic which dealt with racial prejudices. During the business period the group made plans for the annual project to aid in securing more "Steeple for Peoples." The project will begin with washing cars on Saturday, Nov. 15. More details concerning this project will be announced later. Diane Stambaugh was selected to be the leader for the meeting next Sunday at 6:15 p.m.

## Mrs. Bing Crosby Praised As Mother

BEVERLY HILLS, Calif. (AP)—Dixie Lee Crosby was eulogized at her funeral yesterday as a devoted wife and mother who gave up movie stardom for the sake of her family.

The Rev. Frank Corkery, S. J., president of Gonzaga University, Bing Crosby's alma mater, said in his eulogy:

"Dixie came here as a young girl, seeking a career in the business that made this town (Hollywood) great. But she chose another career—that of devoted wife and mother, the greatest career of all."

Dixie Lee Crosby died Saturday of cancer. She would have been 41 today.

At the Requiem Mass in the Church of the Good Shepherd Bing Crosby appeared grief-stricken and gaunt from his week-long vigil at the bedside of his wife of 22 years.

Among more than 600 mourners were the four Crosby sons.

## Air Force Private Is Killed In Crash

BLOOMSBURG, Pa. (AP)—State police reported today that an Air Force private was killed when his car skidded and overturned twice at the intersection of the Williamsport-Unityville roads, just north of here.

The airman was tentatively identified by police as Pfc. Terrance J. Mulaney, 19, of Rochester, N.Y. Authorities said the car skidded sideways 180 feet across the intersection, climbed 10 feet up a cinder bank along the side of the road and turned over twice. Mulaney was thrown from the auto and then pinned beneath the rear wheel.

A blood donor certificate found in Mulaney's pocket indicated he was stationed at Donaldson Air Base, S. C.

# SAYS WAR AID WAS REFUSED BY PRESIDENT

HOLLYWOOD (AP)—Lt. Gen. Albert C. Wedemeyer charges that the Democratic administration failed to train and equip as many South Korean troops as it might have and also rejected help proffered by Generalissimo Chiang Kai-Shek.

The former commander of America's World War II forces in China told a nationwide radio audience Sunday night he was speaking out "because I feel that I would be derelict in my duties as a citizen were I to remain silent and leave the truth about Korea untold."

Stumping for the Republican ticket, Wedemeyer said "President Truman has attacked the integrity of Gen. Eisenhower whom I know to be a man of the highest integrity."

The speaker said he agreed with Republican presidential nominee Dwight Eisenhower that "we should employ all free Asians who are ready and willing to fight against those Asians who are unfortunate tools of the Kremlin."

As to Chiang's offer of help, Wedemeyer said "he was turned down flatly and admonished to keep his fighting men on Formosa. The joint chiefs of staff did not turn him down. No, that decision was made by the President and Mr. Acheson."

## "Inkogram Chain" Started By Dewey

NEW YORK (AP)—Gov. Thomas E. Dewey, starting an 18-hour television and radio marathon Monday, urged a "tidal wave" of chain telegrams backing the Eisenhower-Nixon ticket.

The governor planned to answer questions telephoned to the WOR-TV studios and questions picked up by mobile TV units.

Dewey opened by telling his audience that Western Union offices throughout the country have a form telegram reading: "Am voting Ike. Urge you do same. Please wire five friends this chain inkogram now."

Nitrogen, a colorless, odorless, tasteless gas is one of the most widespread of the elements.

About seven million tons of bituminous coal are consumed annually in Missouri.

## New Ownership For Carlisle Newspaper

Carlisle's newspaper, The Evening Sentinel, on Saturday passed to new ownership but will continue to be owned and operated as a local community enterprise. The sale was made by Allan B. Thompson, who has been connected with the business for half a century, to the Carlisle Sentinel, Inc., which is composed of Mrs. Thompson's three sons, a nephew and five employees and other business associates.

The new owners have approved plans for expansion and re-equipment including the purchase of a 16-page tubular press. Recently the business, editorial and advertising offices were moved to 12½ W. High St., in preparation for remodeling of the Sentinel Building. A site for a new plant has been purchased.

Most of the new owners, or stockholders, of The Carlisle Sentinel, Inc., have been actively associated with the business and are residents of Carlisle. They are A. Douglas Thompson, Craig R. Thompson, David I. Thompson, Joseph V. Thompson Jr., Paul R. Gerhardt, James R. Gouffer, Frederick Gerhardt, Lee E. Boyer and Harold S. Irwin, Esq.

## TROOPER KILLS WIFE, SUICIDES

PITTSBURGH (AP)—The Allegheny County coroner's office has issued a verdict of murder and suicide in the pistol deaths of state trooper Reynold M. Mosella, 23, and his bride of three weeks.

Joseph Devlin, assistant county detective chief, said Mosella shot his wife, Jeannette, in a fit of jealous rage, then turned his service pistol on himself.

State police Cpl. Gerald Keck found the bodies in their apartment Saturday when he called to find out why Mosella failed to report for work.

The couple was married Oct. 11 in Mt. Carmel their hometown.

Devlin said the shooting apparently occurred a short time after Mrs. Mosella returned from a Halloween party Friday night. She had left her husband a note explaining her absence and telling him food could be found in the refrigerator.

The torn note was found near the bodies. Police also found an empty whisky bottle and Mosell's pajamas, which were ripped to pieces. Neighbors who accompanied Mrs.

## ARMY ISSUES BIG DRAFT CALL

WASHINGTON (AP)—The Army Monday issued a draft call for 48,000 men in January.

It is the highest monthly call since last January, when 59,650 men were inducted through selective service.

The new call brings to 1,202,430 the total number drafted, or earmarked for induction, since selective service was resumed in September, 1950.

The monthly average for 29 months has been 41,460.

The calls reached a peak of 80,000 in the months of January, February and March, 1951, but dropped to only 10,000 last June.

The recent draft calls have all been for the Army. The Marine Corps drafted 81,430 before discontinuing the draft last spring.

The Navy and the Air Force have depended entirely upon volunteers, as the Marines now do, to maintain their strength and to achieve the gradual build-up all three services have been making.

## KILLED BY TRAIN

LOCK HAVEN, Pa. (AP)—Augusta W. Kiger, 80, Lock Haven, was killed Monday at a Pennsylvania Railroad crossing when she was struck by an eastbound passenger train.

Lock Haven police said the woman was hurled 30 feet by the impact.

Mosella to the Halloween party said she seemed afraid to return home. Mosella, a former high school football player at Mt. Carmel, had been a member of the state police since February, 1951. He had been stationed at Warren-dale about a year, and before that at Butler.

The last Donor Day here was September 26.

At the recent annual meeting of the Red Cross chapter, the Blood Donor program report showed that Adams Countyans donated 1,139½ pints of blood in the nine visits made here by the bloodmobile in the last year. A total of 1,155 kept appointments. A small number was rejected each visit for health reasons and many gave several times during the year. The same report at the annual meeting shows that the local chapter spent a total of \$302.95 on its blood donor program in the last year. The costs include operation of the canteen on Blood Donor Days and mailing costs on the appointment cards and the "thank you" card sent to each donor a few days after giving blood. That "thank you" card also tells the donor his blood group and Rh factor.

And thus Yake learned that he was serving as a viewer in condemnation proceedings in which he represents, as attorney, four of the districts involved, Straban, Cumberland, Mt. Joy and Highland Twp., all part of the Gettysburg Jointure.

Marched Down Again

Yake hurriedly called the other attorneys into conference and the group decided that best thing to do would be to go back to the Adams County Court and explain the whole matter to Judge W. C. Sheely and Associate Judges A. Dale Knouse and George P. Taylor, who had appointed the board of view.

It was hoped that the court could amend the board so it could function in December.

And then the whole crowd that had marched so bravely up the hill to look at the land, marched down again without even a comment on the view.

# GOV. STEVENSON IN FINAL SPEECH FROM CHICAGO MONDAY NIGHT

By DON WHITEHEAD

HALF DAY, Ill. (P)—Gov. Adlai E. Stevenson came to this little village to cast his vote today after an election-eve speech in which he declared the Korean problem must be "freshly reviewed by fresh minds."

The Democratic candidate's final speech from Chicago was, in its total effect, a call to forget the bitterness and the strife and the name-calling of the presidential campaign and to unite behind the winner—whichever he might be.

He appealed to the people to close their ears to the "cowardly voices of hate and fear and suspicion" and to believe and trust in each other.

Expected Sportsmanship  
And he said: "If your decision is Gen. Eisenhower and the Republican party, I shall ask everyone who voted for me to accept the verdict with traditional American sportsmanship. If you select me, I shall ask the same of the Republicans, and I shall ask our Lord to make me an instrument of his peace."

Stevenson's last-minute appeal came in a nation-wide television

and radio program in which he shared the spotlight with President Truman, Vice President Barkley and his running mate, Sen. John J. Sparkman of Alabama.

In his references to Korea, Stevenson said: "The Korean War and the miserable stalemate there must be freshly reviewed by fresh minds. Solution, settlement and an armistice there is the first order of public business. But Korea is only one aspect of the Communist conspiracy against the free. And this is no time to hesitate in doubt and confusion about the dangerous world we live in x x x."

## To Vote At Half Day

The Democratic candidate rested last night at the home of friends, Mr. and Mrs. Hermon Dunlop Smith of Lake Forest, about 25 miles north of Chicago on Lake Michigan. And then his schedule called for him to drive to Half Day, a small crossroads community in Lake County and near Stevenson's home in nearby Libertyville.

After he votes in the Village Hall, he will attend a brief reception sponsored by friends in Vernon Township, which embraces Libertyville and Half Day. In the township's primary election, 701 voters were listed as Republicans and 201 as Democrats.

After the reception, he was to fly to his Springfield headquarters and wait out the decision of the people.

## Time Ran Out

Stevenson's appeal to the people to believe and trust in each other—and his call for sportsmanship in supporting the winner—were

dropped in his first program last night when time ran out before he completed his talk.  
The Democratic high command immediately purchased enough time a few minutes later in order to give him an opportunity to speak those final paragraphs.  
Before he talked last night, President Truman—speaking from Kansas City—said: "This election may decide whether we go ahead and expand our prosperity or whether we fall back into a depression."  
"I Want To Win"  
Stevenson then said: "The end has now come, the cheers and jeers, the tumult and the shouting are almost over, and these are the last words I shall speak to you before the balloting begins tomorrow morning."  
"Anyone who runs for office wants to win. I want to win, of course; but, win or lose, if I have kept faith with myself during the campaign, then I can await tomorrow—and the day after—and all the days after that—in good temper and sober contentment."  
Stevenson told his nation-wide audience that he had fought for the presidency "sparing nothing of myself" and encouraged by new and old friends. Then he said: "I believe the Democratic party is the people's party. It is the party of no one, because it is the party of everyone, and the world, the nation, and everyone in it, are the better, the safer, for it. I believe that with even greater conviction than when I uttered those words 14 weeks ago."

**Abbottstown Water Co. Asks Rate Jump**  
HARRISBURG (P)—The Abbottstown Water Co., Adams County, has asked the Public Utility Commission for permission to increase its rates for 156 consumers by an estimated \$1,825 yearly, effective Jan. 1.  
The commission said minimum rates under the proposal for the first thousand gallons would increase from \$3 to \$4.20 per quarter. The next 8,000 gallons would go up from 80 cents to \$1.12 per thousand and all over 9,000 gallons would cost 70 instead of 50 cents per thousand.

## Florida Precinct Divided For Ike

BELLE GLADE, Fla., (P)—Brown's Farm, the first Florida precinct to report its returns, today split its vote at four each for Eisenhower and Stevenson.  
Two absentee ballots remained to be counted. These ballots are counted when the official canvass is made Friday.  
Brown's Farm four years ago gave President Truman four votes

## SOLOM FACES SLANDER SUIT

WASHINGTON (P)—A million dollar slander suit has been filed by Joseph A. Moran, Democratic nominee for Congress from the 20th Pennsylvania District, against Rep. James E. Van Zandt, his Republican opponent.

Moran asked \$500,000 compensatory damages and \$500,000 punitive damages in the suit filed yesterday in U. S. District Court here.

In his complaint, Moran said that last Sept. 30 in the office of the editor of the DuBois Courier Express, DuBois, Pa., Van Zandt "in the presence and hearing of the editor of the said newspaper cluding news reporters, maliciously spoke of and concerning the plaintiff (Moran) the following defamatory words:

**Charges False Statement**  
"Moran was fired from the Office of Price Stabilization for accepting a bribe, or words to that effect; and 'Moran has been trying to bribe George Gable into paying him \$15,000 to get a television station into Altoona; I (Van Zandt) know this is a fact because I've got tape or a wire record of the conversations,' or words to that effect."

"The words so spoken were false and defamatory."  
The complaint said Moran "was injured in his reputation and character and career, and has suffered great pain and mental anguish."  
Atty. Joseph Stitnick, who filed the suit for Moran, said Moran is in practice here, specializing in federal, administrative and military law, and also has a law office in Altoona, his legal residence.

and J. Strom Thurmond, State Rights candidate, two.

Rutland Precinct in Central Florida's Sumter County gave Stevenson 14 and Eisenhower 10. Election officials there didn't recall how the vote went in 1948.

The combined total of the two precincts gave Stevenson 18, Eisenhower 14.
